

## Fulbright Classroom Teacher Exchange Program

### Teach Overseas for a Semester or Academic Year

The Fulbright Classroom Teacher Exchange Program offers teachers the opportunity to exchange teaching positions with a colleague from another country for a semester or academic year. By living and working abroad, Fulbright teachers gain an understanding and appreciation of the similarities and differences in national cultures and education systems. Participants enrich their schools and communities with a new awareness of other cultures, providing students with new perspectives about the world in which they live.

#### Eligibility and Application Requirements:

- Bachelor's degree
- Full time K-12 teaching position
- Five years of teaching experience
