

World History Association Speakers' Bureau

The World History Association is proud to announce the formation of a World History Speakers' Bureau. The bureau has two purposes. First, the formation of a database of specialists is intended to aid universities, schools, and other interested organizations in easily locating potential guest speakers. Utilizing the speakers' bureau is a "win-win" situation for your organization and the WHA.

The host agrees to pay for all of the speakers' expenses, plus offering a reasonable honorarium. Second, the speakers' bureau will also serve as a fund-raising venture for the WHA. The speakers in the bureau have volunteered to donate the entirety of the honoraria they earn to the WHA.

If you are willing to serve as a speaker, contact the organizers below. Please consider hosting one of the speakers at your school, college, university, or conference. For more information, please contact the WHA (thewha@hawaii.edu) or the speakers directly for more information.

The list below contains speaker names, email addresses, destinations to which they are willing to travel and subjects of expertise for your needs:

Speaker and contact email:

Subjects of Expertise:

Willing to travel to: Regional, National, International (Yes, No or Maybe):

Traveling From which place:
